

Court-Ordered Debt Interactive Worksheet

ROSA is a 50 year-old woman with court-ordered debt for a felony she was convicted of several years ago, and for a traffic violation she received a few years ago. She is unemployed and has been unable to pay either. She owes \$500 in court and administrative fees, plus a few hundred in restitution. She isn't sure which county she received the traffic violation in, or what she owes on it.

1. What options does Rosa to pay back or deal with her restitution debt?
2. What options does Rosa have to pay back or deal with her court fines?
3. What's one way Rosa can find out which county issued her traffic ticket?
